

*Merry Christmas
And Happy New Year 2012*

This year, on the occasion of Christmas holidays,

Involved its own customers, collaborators and friends in an important charity gesture. Confident that you will be pleased, we donated a financial contribution to our Charity Trust, using the budget that was traditionally destined to Christmas gifts to support the research and help less fortunate children.

Currently the Trust has committed itself both to the development of research projects on child tumor disease and to the building of a new Pediatric Research Institute (www.cittadellasperanza.org).

Together **EL.MO. S.p.A.**, we sincerely wish you a Merry Christmas and a Happy New Year.

Mr. Andrea Camporese
President
